RMC Sunprimer HWP

Optionele voorbehandeling voor een intensere kleur van uw buitenhout

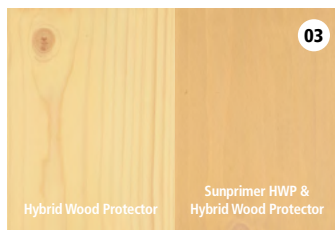

Met de RMC Hybrid Wood Protector biedt Rubio® Monocoat een decoratieve én duurzame afwerking aan voor alle buitenhout. En om een nog intensere kleuring mogelijk te maken, werd recent ook de RMC Sunprimer HWP aan het exterior gamma toegevoegd. RMC Sunprimer HWP wordt steeds aangebracht in dezelfde kleur als de RMC Hybrid Wood Protector.
